Paper is our **PASSION**

Better absorbency. Environmentally-friendly designs. Vintage's selection of paper products goes deep and wide. Our products are engineered to fit the way your customers use them, and that includes hospitality, restaurants and more.

The best part? You get superior quality at competitive prices. That means you can control your costs while enjoying the benefits of premium products. It's simple: our products are there when you need them.

Vintage products are made with quality you can feel. The only thing that can't touch us is the competition.

“Vintage's quality, pricing and convenience has made a huge difference in my bottom line, which has been critical in this economy. Thank you!”

A DISPENSER for every desire

OUR HIGH-QUALITY dispensers are as eye-catching as they are functional. We've got a large selection of both traditional and commercial, so you'll never be left with a ton of towels and no place to put them.
